

YOUR FUNDRAISING

We are delighted you would like to run a Fundraising event to support one of our Charitable projects.

Step One

Choose which one of our projects you would like to support. Begin by planning your event, it is best to write down a rough plan for what you would like to do. Start to think about the amount you are aiming to raise, the likely costs that you will have in order to run the event and the amount of time that will be needed to make your event a success.

Step Two

Just as no man (or woman) is an island, no event can run without the support of other people. Perhaps you look to forming a small committee or group to help you make your event the best it can be. From sourcing raffle prizes to baking cakes there can be a varied range of work that goes into making a successful event happen and having extra people to help out will allow you to ensure your event goes smoothly!

Step Three

Secure a venue and date for your event. Find a venue that works for you and your event and make sure it has all the facilities that you might need to make your event a success. For example, if you are planning a cook-off make sure they have adequate facilities to support you and enough catering equipment for all your hungry participants. Above all make sure that the cost of hiring the venue isn't greater than the amount you expect to raise!

Step Four

Make your event known. From Facebook to Twitter and beyond - social media is an extremely useful tool to help you publicize your event. You can also make posters to put up in your local schools, libraries or community services and spread your event by word of mouth. Your event has arrived and it is time to enjoy yourself and all the hard work you have put in to create a fantastic event.

Remember that not everything will go completely to plan but that is ok, some of the best events went off-course and became better than anyone imagined!

Step Five

Event has happened - send our charity the money raised and join us in congratulating yourself at our AGM. At each stage of this process we can offer guidance and materials to make things run smoothly, simply contact us by emailing us at holistic@planetary-healing.org or text 075 0443 8763.
